BLACK◆DIAMOND®
REFRIGERATION

Black Diamond's chest freezers are great for storing bulk food items in any foodservice establishment. Their white powder coated finish is durable and easy to clean. The R-134a refrigeration and thick insulated walls ensures that the freezers will always maintain ideal operating temperatures. Easy to use controller with indicator lights lets you know the status of the machine. The drain plug inside the units allows for easy cleaning. These models are ETL Listed.

BDCF Series - Chest Freezers

- Steel exterior with a durable white powder coating
- Embossed aluminum interior on the cabinet and lids
- R134a refrigerant ensures ideal operating temperatures
- Manual temperature controller with light up indicators
- Foamed-in-place polyurethane high density cell insulation throughout the entire cabinet
- Manual defrosting
- Includes wire coated basket for organization inside the unit
- Drain plug inside the unit allows for easy cleaning
- 1 year warranty on parts and labor

Features

Cooling System

- Refrigeration units use environmentally friendly R134A refrigerant
- Maintain a temperature range of -4°-10°F
- Thick wall insulation helps to keep ideal temperature inside the cabinet

Cabinet Construction

- Exterior is constructed of a steel with a durable white powder coating
- Interior is constructed of embossed aluminum
- The cabinet is insulated throughout with a foamed-in-place high density cell polyurethane insulation
- Drain plug located on the bottom of the cabinet allows for easy cleaning

Baskets

- Includes one plastic coated wire basket to help keep your stored items organized and merchandise inside the cabinet

Electrical Control

- Manual temperature controller with 0-7 number settings
- Power and operating light indicators to know when unit is on and running
- 7' power cord with NEMA 5-15 plug from the back of the unit

- 115V connection for all models

Lid(s)

- Exterior is constructed of a steel with a durable white powder coating
- Interior is constructed of embossed aluminum
- Hinged lid that opens 90° for easy access to stored items
- Integrated external handle on front

Model Features

- The bottom of the units all have built in casters for sliding in and out spaces for easier cleaning
- Extra baskets sold separately

All Black Diamond's Refrigerators and Freezers are backed by a one year parts and labor warranty. For more information about the warranty policy on these products, please see the NSA pages in the back of this book.
